Cozy Halloween Quilt (Putty White)

A Festive Autumn Collection

This gorgeous quilt in warmly welcoming autumn colours is surely destined to become an heirloom, celebrating as it does some of the fun parts of Halloween. There are haunted houses, ghostly trees and plump pumpkins, of course. For an extra fun touch, appliqué letters spell out the word BOO on a cute flag garland. A smattering of buttons add additional charm to the quilt design. The blocks are full of detail and so take time to make but the results are worth it as your family and friends will enjoy snuggling up under this cozy quilt every autumn.

Fabric Notes

- Where a long eighth or long quarter of a yard is given in the Materials list you could use fat eighths and fat quarters instead (unless otherwise stated). A fat eighth is assumed to be approximately 10½in x 18in (26.7cm x 45.7cm) and a fat quarter approximately 21in x 18in (53.3cm x 45.7cm). If buying long eighths, ensure the strip is at least 4½in (11.5cm) deep.
- Tilda have a fat eighth pack of twenty fabrics from the A Festive Autumn collection, which would be very useful for this quilt. Each fabric measures 10in x 19in (25cm x 48cm).
- * For Fabric 31, ½yd allows the longest strips to be cut vertically. You could reduce the cut to a ¼yd (25cm) if these strips are cut horizontally.
- It is best to cut the Chambray fabrics in a single direction, as the fabric does have a subtle but discernible direction and therefore subsequent sewing will look neater.

Trick or Treat Pillow (Golden/Light Clay)

A Festive Autumn Collection

Pumpkin lanterns and fun costumes are the order of the day for Halloween, where children of all ages celebrate the custom of trick or treat, excitedly visiting their neighbours in the hope of sweet treats. To make this autumnal occasion extra special we have designed four Trick or Treat Pillows to decorate your home. Two of the pillows feature characters wearing adorable bear and cat costumes, while the other two show a witch and scarecrow.

Finished Size

21in x 18¾in (53.3cm x 47.6cm)

Fabric Notes

- Most of the fabrics only need a 9in (23cm) square or less but buying fat eighths would allow useful excess, especially if you are planning to make all four pillows. Tilda have a fat eighth pack of twenty fabrics from the A Festive Autumn collection. Each fabric measures 10in x 19in (25cm x 48cm).
- It is best to cut the Chambray fabrics in a single direction, as the fabric does have a subtle but discernible pattern and therefore subsequent sewing will look neater.

Scarecrow Quilt & Pillows (Rust/Grey)

A Festive Autumn Collection

Wrap yourself up in the soft, warming colors that signal the seasons changing into cooler weather. This quilt design, that at first glance may appear to be a sampler, is actually made with only one traditional patchwork block. Using a clever trick of thoughtful color placement to make this fabric collection sing, the block takes on many unique effects. Together the blocks sparkle with both individuality and harmony.

Fabric Notes

- Fabric quantities are based on a usable width of 42in (107cm).
- Measurements are in imperial inches with metric conversions in brackets – use only one system throughout (preferably inches). Width measurements are listed first.
- Press fabric before cutting and trim as needed to square up the fabric pattern/weave. Use a quilting ruler to cut the top raw edge at 90 degrees to the selvages.
- All seams are 1/4in (6mm) and are pressed open or to one side, as preferred.
