THE
WILTSHIRE SHADOW
COLLECTION

The Liberty Fabrics design team have selected a favourite print to become the perfect blender for quilting.

Originally designed for Liberty Fabrics in 1933, Wiltshire has been reimagined into a two-colour shadow silhouette to become the perfect fabric blender. The tonal leaf and berry print is available in a multitude of colourways, designed to coordinate with our vast archive of Liberty prints for a seamless mix and match effect. Printed onto soft Lasenby cotton, this base is suited for craft projects and classic patchwork quilting; the possibilities are as endless as your imagination.

Whilst every effort is made to ensure colour consistency, please be aware that due to the nature of the product and the print process, slight variances may occur in colour definition between this document and the fabric.
